

Pre-Cross Acceptance Comment Process

The State Planning Commission asks that you submit comments via the web at www.njsmartgrowth.com under the “Map Comments” link. The system should be available after the first of the year. On-line submission of comments will facilitate their review, because we will be able to sort them electronically.

If you are unable to access the online system, send your comments to us, either via email at osgmail@dca.state.nj.us, or in writing to:

Timothy Touhey, Chairman
New Jersey State Planning Commission
101 South Broad Street, P.O. Box 204
Trenton, NJ 08625-0204
Fax: (609) 292-3292

Whether emailed, written or faxed, please follow the format below for your comments. We ask that each comment follow this format, regardless of the number being made. If comments are mailed or faxed, please send them in triplicate, along with the document on a PC-formatted diskette in Microsoft Word or other common word processor format.

Please note that the State Planning Commission does not accept comments by phone.

All comments MUST be followed with a USGS Quadrangle registered map with the area of interest delineated. Quads can be obtained at various prices from the USGS, NJDEP Publications office, or the Office of Smart Growth. Mapping instructions will be available for download on the OSG website at www.njsmartgrowth.com.

If you have any questions, comments or concerns, please contact the Office of Smart Growth at (609) 292-7156.

Comment Format

If not using the web, please follow the format below and include all the requested information in your comments. Where you see *[brackets]*, choose one of the listed *[bracketed]* items, if the *[brackets]* are empty *[]*, then fill in the necessary information.
